

Fixed Energy Storage Container for Cement Plants

Overview

The Stark Silo Storage System is designed to provide reliable, high-performance storage for projects requiring bulk cement. Available in container, trailer and bolted configurations, it adapts to diverse needs, from mobile construction sites to large industrial plants. Extensive Range: In addition to our concrete batching plants, we offer a wide selection of cement silos, both horizontal and vertical, with storage capacities ranging from 50 to 3000 tons. Our systems are delivered fully assembled, user friendly, and require minimal on-site. Vince Hagan provides a broad selection of cementitious storage. The storage silo, which measures 8 feet x 25 feet, has a.
