Emergency Response and Clean Up Lithium-ion

battery fires are on the rise. Do you have protocols in place for the handling of these difficult to control fires?

single word requests

Similarly, "free education" is funded by the state (which is ultimately financed by taxpayers) and taught in state-run schools called state schools whereas schools that charge tuition

What is the opposite of "free" as in "free of charge"?

What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.

For free vs. free of charges

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that English

What is it called when you "buy" something for free?

For example, imagine some food company decides to make their fruits permanently free. Online, you can "order" them (for free), but in person, what do you do? What would be the
