

Has the price of photovoltaic brackets been reduced

Overview

Solar prices stay low, battery costs rose modestly. 48 per watt in the first half of 2025, unchanged from H2 2024. Installers absorbed financing pressures rather than raising prices before policy changes kicked in.

Has the price of photovoltaic brackets been reduced

grammar

Could someone explain (in simple terms) which of the following are correct, and if they are correct, when to use them? Thanks. has seen had seen had saw has saw Is this just a memoriz

[Has or Have? Which is grammatically correct and why?](#)

Today my friend asked me if you can use "has" instead of "have" here. I'm not sure how to explain the grammar simply. (5)"Since there is no other food on the table, and each of them have small plat
