

High-temperature resistant investment in pv distributions for farms

Overview

We evaluated the implications of an agrivoltaics approach-combining agriculture and solar photovoltaics-on the microclimate growing conditions of crop species. Are agrivoltaics a sustainable land-use strategy?

.

High-temperature resistant investment in pv distributions for farms

high adjective

Definition of high adjective in Oxford Advanced American Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more.

[HIGH , definition in the Cambridge English Dictionary](#)

high adjective (IMPORTANT) B2 having power, an important position, or great influence: an officer of high rank
