Lockheed martin smallsat

[Lockheed Martin opens facility for small satellites](#)

Lockheed Martin has opened a facility that streamlines small satellite (smallsat) processing to enable high-rate delivery.

What we do

Cyber Lockheed Martin is a global leader delivering full spectrum cyber capabilities -- supporting the offensive and defensive efforts of our defense and intelligence community customers.

Small Satellite Solar Arrays

Lockheed Martin's small satellite (smallsat) solar arrays are high-quality, 3D-printed panels available in multiple wing configurations. With power levels up to 2,000 W, and a cell layout configurable to any

Lockheed Martin Is Expanding In Small Satellite

Lockheed Martin last year opened a new smallsat assembly facility near Denver, Colorado, with capacity to manufacture 180 spacecraft per year.

Aircraft

Discover Lockheed Martin's military aircraft leadership in combat, air mobility, and reconnaissance. Advanced technology for unmatched capabilities.

Lockheed Martin Products

Discover Lockheed Martin's cutting-edge aircraft and other innovative products designed for global security. Stay ahead of ready with our solutions.
