MODULAR Definition & Meaning

The meaning of MODULAR is of, relating to, or based on a module or a modulus. How to use modular in a sentence.

Modular Homes

Simply put, modular homes have sections that are built in a factory, rather than being fully built on a home site. These parts are then transported to the site and assembled by a builder.

Specification of 5MWh Battery Container System

Communicate with host and external systems through RS-485, CAN, Modbus-TCP/IP. Depending

on the complexity of the system, the system BMS can be integrated into the switch box or separately.
