

Myanmar Battery Energy Storage Container Solution

Overview

As Myanmar accelerates its renewable energy adoption, Mandalay emerges as a strategic hub for advanced energy storage solutions. This milestone project reinforces Solis' commitment to sustainable energy solutions and reducing dependence on traditional power sources. Solis has completed a high-performance 50kW solar-plus-storage installation in Myanmar, showcasing how advanced hybrid inverter technology can unlock energy. As one of the world's leading manufacturers of Li-ion battery storage systems, GSL ENERGY provides proven and reliable solar + energy storage solutions for the Myanmar market, helping to solve the local power dilemma.
