

Nigeria Photovoltaic Folding Container Fixed Type

Overview

The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. It is the perfect alternative to unstable grid power and diesel generators, keeping operations running even in remote areas or where infrastructure is.

Nigeria Photovoltaic Folding Container Fixed Type

Foldable Photovoltaic Power Generation Cabin

Foldable Photovoltaic Power Generation Cabin is a containerised solar power solution. Combining the features of solar power generation and mobility, it provides electricity all over the world.

Mobile solar container range

Designed for Plug and play operations, the ZSC range of mobile solar power is easy to setup and commission. The compact container is easy to transport and is a low maintenance asset on site.
