Overview

We've teamed up with EnergySage to offer you free, local, solar quotes. No phone calls required DSIRE is the most comprehensive source of information on incentives and policies that support renewables and energy efficiency in the United States. The Clean Energy Grants program supports the deployment of clean energy technologies in Washington state while advancing equity, resilience and energy access. Program goals include reducing greenhouse gas emissions, increasing access to reliable and affordable energy - especially for tribes. On February 20, 2026, the California Public Utilities Commission (CPUC) issued a ruling addressing the pattern of high Total Eligible Project Costs being reported for project proposals within the SGIP Residential Solar and Storage Equity (RSSE) budget, which is specifically meant to serve. DSIRE has teamed-up with EnergySage to help you go solar. Average system prices range from \$7,500-\$13,000 for 10-20kWh installations, representing a 50% cost reduction since 2020.
