

Solar thermal energy juba

Overview

The 20 MW solar plant will supply electricity to approximately 16,000 households in Juba, integrating clean energy into the national grid. Ezra Group, a prominent business conglomerate, proudly unveiled its 20MW solar power plant and 14-Megawatt (MWh) Battery Energy Storage System (BESS) in South Sudan Developed and funded internally by Ezra Construction and Development Group Ltd. An official opening was held in Gondokoro, near the city of Juba. Juba - South Sudan celebrates its first major renewable energy project, marking a milestone in its transition to sustainable power. This will bring the bulk energy capacity to a total of 57MW.
