

# Somali Solar Container Hybrid Procurement price

## Overview

---

This procurement involves the design, supply, installation, testing, and commissioning of hybrid and off-grid solar photovoltaic plants with battery energy storage systems for 29 education facilities across Sahil, Sanaag, and Togdheer regions. The Public Procurement Department (PPD) within the Ministry of Finance is the main government agency responsible for public procurement in Somalia. The Somalia Tenders website is an independent platform that aggregates and publishes tender opportunities from various Somali government agencies. The project includes one year of operations and maintenance.
