## Split solar bracket installation

---

### "The splits" vs "a split"

The problem with this is that unlike the runs or scissors or the heebie-jeebies or any other example I can think of, The Splits has multiple forms of use that necessitate a singular form. No one

### ["Split in half" vs. "split in two" - which one is correct?](#)

Does the "in" imply multiplication, in which case split in half is correct, or is it division? It sounds like the latter to me, but I've heard it used both ways.

### When to use split and split up

What should be used in below sentence: "split" or "split up", and why? We need to split up the background image of the website into two parts.

### idioms

If you split a rock or a log or a fruit open, you can see what is inside. If you split something wide open then the inside is revealed even more. The author is using a metaphor.
