

# Storage solar battery factory in Azerbaijan

## Overview

---

State-owned electricity producer and grid operator AzerEnergy is building large-scale Battery Energy Storage Systems (BESS) with a total capacity of 250 megawatts (MW) and 500 megawatt-hours (MWh) at the 500-kilovolt (kV) Absheron substation, located near the capital, and at the 220.

## Storage solar battery factory in Azerbaijan

---

[Azerbaijan's largest battery energy storage center officially opened](#)

The first battery storage center under Azerbaijan Energy, the state-owned energy company of Azerbaijan, the Absheron Energy Storage Center, has been officially put into operation. President
