

Swiss solar container system manufacturer

Overview

SSWISS GROUP AG is a Swiss company specializing in scientific research and the implementation of innovative standards in the field of solar energy. The company owns the brand Swiss Solar, which represents premium quality and reliability of next-generation solar modules. We combine expertise and technology to help businesses and homeowners reduce costs, boost energy independence, and achieve lasting profitability through sustainability. The solution is based on a racking technology which can include two racks able to host up to 30 solar. Each SolaraBox container is engineered by a certified R&D team with expertise in solar energy, electrical integration, and structural design. All units use high-quality solar panels, and MPPT-based controllers to ensure maximum.
