

Ultra-efficient financing for the catering industry using outdoor telecom cabinets

Overview

Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite mounting platforms and modular series cabinets. Modular capability helps future proof your networks so infrastructure can easily grow over time. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions. For communication projects using 19-inch rack-mounted equipment, the most common cabinet heights include:. Outdoor telecom cabinets play a vital role in future-proofing networks, ensuring operators can integrate new equipment, scale operations, and maintain reliability without extensive overhauls. With proven expertise in system integration, Westell also manages the details for design assistance, planning, thermal management.
