If you have a use for something, you need it or can find something to do with it.

use verb

Definition of use verb in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more.

10 Main Types of Energy Storage Methods in 2026

History of Energy Storage Methods
Various Type of Energy Storage Methods
Applications of Energy Storage Systems
Economics of Energy Storage Systems
Electricity Storage in The United States
Environmental Impacts of Electricity Storage
Electricity was largely generated by burning fossil fuels in the grid of the twentieth century. Less fuel was burned when less power was required. Hydropower is the most frequently used mechanical energy storage method, having been in use for centuries. For almost a century, large hydroelectric dams have served as energy storage facilities.
