User Documentation

Learn how to use User Marketing Automation software. Find step-by-step instructions on every aspect of the app.

User

User is a marketing automation platform that helps companies streamline processes and grow their business faster and transform behavior into personalized experiences, without the dev time.

Product Overview from User

User Tracking See who opens, clicks and unsubscribes from your emails. All this information is visible in user-profiles and can be used as a trigger for further automations.

What is the purpose of "pip install --user "?

The --user option modifies all pip commands that accept it to see/operate on the user install folder, so if you use pip list --user it will only show you packages installed with pip install --user.

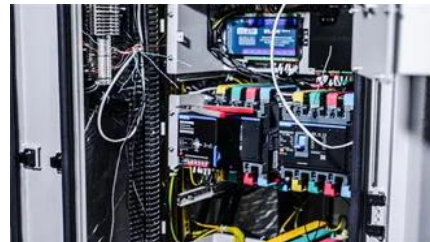

[Advanced Dispatch of Energy Storage for Reliable Grid Operation in](#)

The rapid growth of energy storage resources in the U.S. power grid brings both challenges and opportunities for grid operators as renewable energy use rises.
