

# Where to apply for solar power generation room

## Overview

---

The department operates entirely online through two platforms: PermitLA for express permits and ePlanLA for projects requiring plan check. Both platforms require an Angeleno account, which is the City of Los Angeles single sign-on for municipal services. Whether you are an installer navigating AHJ requirements for the first time in Los Angeles or a homeowner trying to. Solar Rooftops is designed to expand access to solar participation for qualified LADWP residential customers who otherwise may not be able to participate in solar due to the high cost of installing panels. Racking systems shall be anchored to solid wood roof rafters or to solid wood blocking with a minimum of one 5/16" diameter lag screw embedded a minimum of  $\frac{1}{4}$ ". LADWP will be opening applications before the end of 2025. The program helps residential and non-residential customers have power during planned and unplanned power outages.
