word order

Either is fine, but (American here) I think "Something that best suits your needs" would be the most common way of saying it.

"better" vs "best"

The second sentence, as you said, contains a superlative, "best." In English, unlike in some other languages such as Spanish, the superlative does not require a definite article. In fact, it

how to use "best" as adverb?

Your example already shows how to use "best" as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use it as an adjective to show that something is the

"Which one is the best" vs. "which one the best is"

"Which one is the best" is obviously a question format, so it makes sense that " which one the best is " should be the correct form. This is very good instinct, and you could even argue that

grammar

So, " It is the best ever " means it's the best of all

time, up to the present. " It was the best ever " means either it was the best up to that point in time, and a better one may have
