### how to use "best" as adverb?

Your example already shows how to use "best" as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use it as an adjective to show that something is the

### definite article

I mean here "You are the best at tennis" "and "you are best at tennis", "choose the book you like the best or best" both of them can have different meanings but "most" and another adverb in

### Why does "the best of friends" mean what it means?

The best of friends literally means the best of all possible friends. So if we say it of two friends, it literally means that the friendship is the best one

["Which one is the best" vs. "which one the best is"](#)

"Which one is the best" is obviously a question format, so it makes sense that " which one the best is " should be the correct form. This is very good instinct, and you could even argue that
